

Can we trust the Bible we actually have?

Manuscripts and the canon, the Dead Sea Scrolls and the archaeologist's spade, the resurrection and the hard sayings — James Bell walks the full case for the reliability of Scripture in plain language, neither overclaiming nor flinching from the genuine difficulties. A book for the skeptic, the doubter, and the believer who wants to know why the ground holds.

ABOUT THE AUTHOR

James Bell is the lead pastor of First Baptist Church of Fenton, Michigan, and the founder of the Pastors Connection Network. He came to faith from atheism, was raised without a father, and is the father of five sons. He is the author of more than twenty books.
